

The background of the cover is a detailed architectural drawing of a multi-story building. A semi-transparent teal rectangular overlay covers the upper portion of the image. Inside this teal area, there is a 3D rendering of a modern office interior, showing a lounge with orange sofas and a meeting room with a white table and chairs. The drawing includes various dimensions and annotations, such as '4931', '10300', '4100', '8153', '8150', '2507', '2173', and '4764'.

RSMeans

Square Foot Costs

Designed to provide reliable,
early estimates of building costs

36th annual edition

2015

Cost data from the most trusted
source in North America

Reference Section

All the reference information is in one section making it easy to find what you need to know . . . and easy to use the book on a daily basis. This section is visually identified by a vertical black bar on the edge of pages.

In this Reference Section, we've included General Conditions; Location Factors for adjusting costs to the region you are in; Historical Cost Indexes for cost comparisons over time; a Glossary; an explanation of all Abbreviations used in the book; and sample Estimating Forms.

Table of Contents
